

Hassop

S·T·A·T·I·O·N

CAFE

Our award winning fully licensed café serves a delicious range of homemade food, using locally sourced products. Our Hassop Station Full English Breakfast served from 9am every morning is very popular.

For lunch we serve freshly prepared, locally sourced and seasonal hot and cold food. See the website hassopstation.co.uk and our app for the menu.

The spacious elegant Old Station building has a large sun terrace fronting the Monsal Trail for balmy sunny days. We have a children's play area and also a heated outdoor covered seating area to keep diners warm and dog walkers dry.

ACCOMMODATION

Station Farm at Hassop Station has recently undergone a full refurbishment. As part of the nearby Chatsworth Estate the Farmhouse is perfectly situated for the Monsal Trail at Hassop Station. Bakewell is 1.5 miles away and can be accessed on foot/bike along the Monsal Trail, a flat traffic free trail into town or by road.

All six spacious bedrooms have a large super king bed which can be split into a twin, and all have separate private or ensuite bathrooms. Each room has a lovely country view of fields and are light and airy. There is a garden at the property which is shared by other guests featuring a lawn, flower beds and outdoor seating.

Start your mornings with a delicious breakfast served next door at the café.

There are also three self-catering apartments available.

New & used bikes available to purchase

WORKSHOP

We have qualified staff and a fully equipped workshop so we can solve any problems you are having with your bike and perform the servicing you need. We operate a drop in service and we will give you an estimated time for the service (no need to book). We will always advise at every stage what will need to be serviced and replaced. We also perform diagnostics and updates on the leading brands of eBike motor systems (Bosch, Shimano, Yamaha, Brose and Specialized). Any queries just give the team a ring and we can advise what's best for you.

All bikes at all service levels will have their drive train lubed with Muc-Off Products. (Clean bike dependent.) We can clean your bike with Muc-Off products for the fee of £15 on top of the lower services. (Included on the full service).

SERVICE LEVELS

(excluding parts)

BASIC SERVICE £40

- Full safety check, gears and brakes adjusted as necessary
- Nut and bolt torque check
- Visual inspection on frame, wheels, and tyres (component safety check).

MID-LEVEL SERVICE £60

- Includes basic service above
- Brake & Gear cables, inners and outers replaced (if applicable)
- Wheel truing.

FULL SERVICE £100

- Includes both of above
- Full strip down and clean
- Wheel bearing service
- Headset bearing service
- Brake bleeds
- Full bio wash using Muc-Off products + parts washer
- Re lube.

For electric bikes we offer all the above plus a diagnostic and printout (if applicable) for an extra £20 per bike.

Our labour charge for any other larger service is £35 per hour, starting at £35 minimum.

THE MONSAL TRAIL

- The Monsal Trail is 8.5 miles long.
- For a relaxed ride with stops, we recommend a 4 hour hire but it can be done briskly in 2 hours.
- From Hassop Station it is 7 miles to the far end and 1.5 miles to the Bakewell end.
- There are 4 long tunnels with lighting.
- Lots of viewpoints, viaducts and bridges along the way.
- Level access is through the gate off the car park round the back of the building.
- Keep to the left and pass with care.
- Ring your bell if needed.
- Be courteous towards other users.
- Slow down in the tunnels.
- **Enjoy the ride!**
